New Patient Package Notifications and Releases

We want to welcome you to our practice. We want to make your experience with every aspect of our service meet or exceed your expectations. If you have any questions or concerns, suggestions for improvement in our services, or any comments, please do not hesitate to speak with any of our staff or physicians. Listed below are several notices that outline certain responsibilities of ours, and yours. Please read them carefully and sign where indicated that you have read each statement.

General Consent for Treatment

We look forward to treating you as a patient. However, we need your permission for our physician(s)/practitioners to exam you, provide treatments, and perform diagnostic studies as necessary. If more invasive procedures are deemed necessary, the risks and benefits of those invasive treatments will be explained to you.

I give general consent to be treated by Walter Rucker, MD

Financial Policy/Assignment of Benefits

As a courtesy to our patients, the practice will accept assignment for some commercial insurance programs and Medicare. We will file your primary insurance claim for you. Once the primary insurance has paid, we will also file your secondary insurance, if you have provided us with that information. However, insurance is a contract between you and your insurance company. Therefore, we ask that you acknowledge your responsibility for the payment for our services. If the insurance denies coverage, disallows a service, or otherwise does not pay the claim, you are still responsible for the fees. In addition, if the fees for our services are not paid, we may turn the account over to a collection agency. If an account is turned over for collection, their fees, attorney's fees and court cost will be added to the account balance. Also, your insurance company may ask us to provide information concerning your treatment before they will pay for the services.

I acknowledge responsibility for payment of fees for services provided by the practice and authorized the practice to release any medical information, if necessary, to my insurance company.

Privacy Policy

New federal regulations require physician practices to keep your medical information private. Our practice has always guarded the privacy of our patients. We only share your medical information with other healthcare providers that are participating in your care, your insurance company to provide your benefits, or for medical management issues. If anyone else helps us with our internal operations, we will require them to keep any patient information they may see confidential. All other releases of information have to be specifically authorized by you. If you ask us to account for these release of information, we will provide that to you. You may also request and receive a copy of your medical record and ask questions about its content. We will keep your record as long as you are a patient of the practice and seven years after your last visit. You will be given a form to sign which shows the details of to whom you wish to have your PHI (Protected Health Information) released.

I acknowledge that I have been informed about the privacy of my medical record.
